

Golden Age Club Reporting

by
MRS. FLORENCE SLACK
Publicity - Welfare Chairman

There were forty-six members present at the Golden Age Club meeting on Thursday, April 10th. The theme of the program was "True Friendship." Rev. Adler read a paper dealing with that subject. Mrs. Jane Watson gave an Easter reading.

Refreshments were served by the committee followed by group singing with Manda Reynold at the piano.

This was followed by some impromptu dancing. It appears that Mrs. Fern Furman has had some lessons in "Rock and Roll." One set of the Virginia Reel was attempted by amateurs, but until some good records can be obtained for that lovely but antiquated dance, lets learn to furnish our own beat by hand clapping and singing the following verse:

"You can't have any, my waverly wheat,
You can't have any, my barley.
You can't have any, my waverly wheat,
To make a bouquet for Charlie.
For Charlie, he's a nice young man—
Oh! Charlie, he's a dandy—
He'd like to help the nice old gals,

Recreation News and Notes

Tonight the participants of the Rifery program who have achieved their awards as marksman, sharpshooters and experts will be honored at the first annual Rifery Club banquet. Distinguished guests for the evening will be Mayor Charles Stauber, Town Board member Jim Pickens, Police Chief Tom Aldrich, Police Justice Victor Bartolotta and a Crossman Arms representative, the volunteer leaders, Robert Meyers and Mrs. Walter Sether, Chairman of the Recreation Council. Proceedings will get under way at

Oh! Charlie he is so handy.
Can any of our reading audience contribute the last verse to the above? The writer understands it was used a hundred years ago with the clapping and tapping of hands and feet to furnish the rhythm and beat for the Virginia Reel.

At the end of a perfect day, Mr. Heidelberg filled his station wagon with young oldsters and took them home, the long way—for a nice ride, showing to them the many interesting places on the outskirts of the village, including the new schools.

Next meeting will be April 24th with no program, planned other than games and another practice with the Virginia Reel, and perhaps a try with a Minuet dance.

6:00 p.m.

Mr. Bill Torrens for the past few weeks has been conducting the Trampoline Club at the firehall. The trampoline enthusiasts have been regularly attending on Mondays and Tuesdays, 7:00 to 9:00 p.m. and Thursday afternoons from 4:00 to 5:30 p.m. Bill says there are some very promising prospects in these groups.

The Perinton Players have chosen their cast to be in the production of "The Happy Journey." Mrs. Peg Padock, the director, is very enthused and has commented that the group is very enthusiastic and will do a good job. Players who are in the Community Fund Canvasser training skit will have an opportunity to be heard on the radio Thursday, April 24th at 10 a.m. over WHAM on Miss Louise Wilson's Woman's World program. Last Friday Miss Wilson interviewed Mr. Heidelberg on her program and when she heard of the Perinton Players and their work she became very interested in them.

The new tape recorder is making a big hit in the Nook dance program. Each week the top forty records are put on tape and then played back at our dances. This way the new hit tunes are kept up-to-date continuously.

Today is a very important day for our community. The Fairport Perinton Community Fund Drive opens its campaign to reach its goal of \$14,000. The Recreation Council is confident in your support on the basis of the merits of its program. Remember, "Give Where You Live" and support this and the other vital programs benefited by this community fund money.

Last meetings of the Duplicate Bridge Club found these enthusiasts breaking up reluctantly as the hands on the clock approached the wishing hour. A reminder to all the participants. We would like to get under way as soon as possible therefore we wish that everyone would be there by 7:45 p.m. The results of the last game are as follows:

North—South—Mr. and Mrs. Richard Wade 58.4, Mr. and Mrs. Chester Miner 55.5, Mrs. Smith and Mrs. Briwa 50.0, Mr. and Mrs. Erik Hansen 43.0, Mr. Titter and Mr. Nesbitt 42.3.

East—West—Mr. and Mrs. Jack Ross 61.0, Mr. and Mrs. Richard Harding 56.3, Ruth Bennet and Mary Hull 47.6, D. Hull and David Hull 43.0, Mr. and Mrs. Roger Travis 42.2, C. Briwa and E. Wells 28.7.

Baked Food Sale

A Baked Food Sale, sponsored by the Ladies Auxiliary to the Fairport Fire Department, will be held Saturday morning at 10 a.m. A variety of all kinds of baked food will be available. This is one way these ladies have of raising money that is used for many community affairs.
